MOTOR SPEEDERS' CHANGE OF HEART
 Justice John's \$50 Fines Follow Arrest by Motorcycle Police.
 Already the motorcycles recently acquired by the Police Department have proved of great service in breaking up the speeding evil in the West End, especially on the Boulevard. Those persons arrested and convicted for fast driving by Officers C. B. Samuels and C. W. Thurman have each been fined \$50 and costs in the Police Court, and this heavy punishment has proved a deterrent to those inclined to violate the ordinance regulating the speed of motor cars.
 Comparatively few automobilists of late have been reported for speeding, and this is due entirely to the work of the "motorcycle squad." Now that the efficiency of this branch of the force has been established, steps will be taken by Chief of Police Warner to make it still more effective, according to a statement made yesterday.
 At the present time, Officers Samuels and Thurman are on duty each afternoon and evening from 12 until 8 o'clock, and it is the plan of Major Warner to change these hours to cover more time, especially at night, during the summer months, when motorists are more apt to indulge in "speeding." Officers Samuels and Thurman are enforcing the speed law to the letter, and all offenders who cross their paths are certain to be halted before Justice Crutchenfield, whose minimum fine is \$50.
